

Dear Parents and Carers,

We hope you and your families are well and continuing to stay safe and healthy; we are missing all of you greatly.

At present, school will remain closed until further notice and we will await more guidance from the government as to when we can reopen. To ensure that the school closure has as little impact as possible on your children's education, we will once again be sending take-home resources to support learning at home, which will be being posted out to you.

Where possible, it is important to establish a consistent routine with your children: to assist them with focussing and engaging fully with all their subjects -on a daily basis. To support with this, we have emailed out all class timetables via ParentPay. We are currently in the process of creating a dedicated 'Home Learning' page on the school website where we will also be posting class timetables as well as other useful documents such as spelling lists.

We understand that the majority of our parents will be working from home and that it is hard to juggle work commitments and supporting your children's learning therefore if you need any assistance with your children's work please contact us on the following email address: [office@millbankacademy.org.uk](mailto:office@millbankacademy.org.uk).

Many of our teachers have been in touch with you over the past two weeks and in response to your feedback we will also be emailing out, where possible, answer sheets for the work that has been completed over the past two weeks. Going forward, answer sheets will be given along with the learning and any essays can be emailed to the relevant teachers at the following email address: [office@millbankacademy.org.uk](mailto:office@millbankacademy.org.uk).

Furthermore, we will be continuing our FSM service for the Easter holidays and will be posting out more Sainsbury's vouchers to all children eligible for Free School Meals to cover the 10 days of Easter holidays. This can take a while as we have to wait for them to arrive and then post out, so please do be patient with us as we process this.

Please do continue to share the fantastic work and activities that the children are engaging with at home through the twitter account [@millbankacad](https://twitter.com/millbankacad) and our office email address. We love seeing what the students are creating.

We would like to take this opportunity to thank you all for your continued support and wish you a fantastic and healthy Easter break.

Kind Regards,

Mrs Tylee  
*Acting Headteacher*
