

Dear Parents and Carers,

**Home learning instructions 20/04/20- 01/05/20**

As you are aware, school remains closed until further notice. Home learning packs for the next half term (Summer 1) have been collated and posted out to you to ensure your children's education can continue whilst school is closed. Our aim is for all packs to arrive by Monday 20<sup>th</sup> April, ready to start work on the first day of term after the Easter holidays. Though please be patient with the postal service during this time.

We will email corresponding instructions every two weeks which will support the home learning packs. The home learning pack is for the full 5 week term. Please pace yourselves and only complete the work which is outlined in the below two week instructions.

The below instructions have been created to reflect the children's normal school timetable.

If you need any assistance with your children's work please contact us on the following email address: [office@millbankacademy.org.uk](mailto:office@millbankacademy.org.uk)

Please do continue to share the fantastic work and activities that the children are engaging with at home through the twitter account @millbankacad and our office email address. We love seeing what the students are creating.

The following work is for Year 2: Reading comprehension, Writing, Spelling, Handwriting, Maths, Geography, Science, History, P.E and PHSE. For spelling, please test your child on their spelling words every week and email their results to the Millbank Office email. Where an extended writing piece has been detailed, please email a photo of the writing and it will be passed on to the teachers for marking.
