

Evidencing the impact of the Primary PE and Sports Premium
Sports Premium Funding Report 2017 – 2018

What is the Sports Premium funding?

The Government is providing funding to improve provision of physical education (PE) and sport in primary schools. The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. In 2016-2017, all schools received a lump sum of £8,000 plus a premium of £5 per pupil. Millbank Academy received £10,050 in the school year 2016/2017. In 2017/2018, sports premium funding has been increased so that schools now receive £16,000 plus a premium of £10 per pupil.

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, through:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- new or additional sport clubs
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in school games
- buying quality assured professional development modules or materials for PE/sport
- providing places for pupils in after school sport clubs and holiday clubs.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Millbank does very well at competitive sports arranged within the Westminster PE and School Sports Network • Children have access to a PE coach and a variety of sports clubs 	<ul style="list-style-type: none"> • Introduce a greater variety of sports into the curriculum • Re-introduce swimming into the curriculum • Create more opportunities for staff CPD

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	55%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	55%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	55%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ <u>No</u>
